AT A GLANCE 2019 - 2020

**BUILD AND SUSTAIN A
LEGACY OF LIFELONG
LEARNING**

A LETTER FROM THE PRINCIPALS

Bridgeport School District has had a super year. It is a privilege to teach your child. We want to assure you that our teachers have the skills and training to help each child reach their potential for the year.

Currently, Bridgeport School District serves approximately 800 students, preschool through 12th grade. Students can look forward to music, physical education, library services, and extended day and year opportunities in addition to our regular academic courses. English as a Second Language (ESL) instruction and Special Education services are also available.

Because Bridgeport School District is committed to student achievement and high expectations; additional college and Advanced Placement courses have been added. Teachers and support staff continue to focus on instructional strategies to move programs forward in critical areas, such as Reading, Writing, and Mathematics. Parents are encouraged to come in for a discussion of these goal areas.

The outstanding staff at Bridgeport School District continues to grow as a professional learning community. The staff appreciates and depends upon active parent involvement in our school and its programs. If you would like to be involved, please contact any building office.

Most importantly, we need your involvement at home, your interest in your student's assignments and progress, and your efforts to communicate your concerns with us as we strive to maintain an excellent school experience for you child.

STUDENT PERFORMANCE 2018 - 2019

Washington State uses the Smarter Balanced Assessment (SBA) to assess student performance in ELA, Math, and Science. The Smarter Balanced Assessment requires students to both select and create answers to demonstrate their knowledge, skills, and understanding for each of the grade level benchmarks.
